

Dear parent/guardian,

Dorset Primary School is looking forward to another great year of teaching and learning and would like to advise you of Dorset Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

With contribution and support it allows us to continue to maintain and develop our school gardens and play areas, with the installation of new play equipment and spaces around the school. The school has been able to continue offering a wide range of extra-curricular curriculum activities including the Stephanie Alexander Kitchen and Garden program.

Please find attached Dorset Primary School's voluntary financial contributions schedule for 2026, which includes an overview of what your contributions will contribute towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, Parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of recommended contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Nicole Bell
Acting Principal

School Council President
